ROASTED IN SAN JOSE

KARTMA Street Cafe is a social enterprise of Downtown Streets Team, a Bay Area nonprofit ending homelessness through the dignity of work since 2005.

Our cafe pays a living wage to individuals transitioning out of homelessness while they build marketable skills and serve the best coffee in the Bay Area. We are excited to bring our cart, our team, and our delicious coffee to you in Sunnyvale!

Join us for our grand opening ribbon cutting ceremony for our new location!
