CHAMPION A SAN JOSE GATEWAY
AND PROVIDE WORK FOR UNHOUSED PEOPLE

Team up with the City of San Jose to beautify the city's blighted gateways: the freeway on and off ramps leading in and out of downtown San Jose.

Spearheaded by Mayor Sam Liccardo, the San Jose Gateways Project is a growing initiative giving corporations the chance to play a vital role in the lives of people experiencing homelessness, while making the City of San Jose safe, clean and beautiful.

Join our growing list of Socially Responsible Businesses and help homeless people rebuild their lives by sponsoring a San Jose Gateway.

Provide Life-Changing Opportunity for six currently homeless and job-seeking individuals with work experience, as they volunteer their time picking up debris, removing graffiti and cleaning up the landscape surrounding your gateway.

Downtown Streets Team is ending homelessness by restoring the dignity and rebuilding the lives of unhoused people.

Team Members volunteer on beautification projects and Downtown Streets Team provides case management, employment services, basic needs stipends and necessary tools to build confidence and self-sustainability.

SPONSORSHIP BENEFITS

- Company signage with logo at Gateway
- Press release distribution + website presence
- Team Building Day for your employees
- Special Clean-Up Just For You

Sponsoring a San Jose Gateway is an opportunity to positively change lives through the dignity of work. Mayor Sam Liccardo and Team Member Jay Jay are pictured above, volunteering at a Gateway clean-up.

As a result of volunteering with our Gateways Team, Jay Jay has slowly rebuilt her life after escaping an abusive relationship, which resulted in her living in her truck for years. She is now stably housed and on her way to building a self-sufficient life. Volunteering on our team provides Jay Jay with rewarding work, a supportive team of people who’ve endured similar experiences, and a case manager. She is one of many Team Members benefiting from a San Jose Gateway sponsorship.

Downtown Streets Team has been an incredible partner in this effort, providing a pathway for an awful lot of folks who are struggling, to get them back on their feet through beautifying their city.”
- San Jose Mayor Liccardo
